Proofbook and Display Albums

Our classic bound proof-book matches the Online Express Proofing included in all packages and is a great way to show off your wedding memories. Proof-books are priced according to length of coverage and can be added at any time before or after the event. Prices for the proof-book start at \$250 for a 4 Hour package, \$325 for 6 Hours and \$400 for 8 Hours.

Display albums are rather costly and most of our clients choose to either create an album on their own or use an album designer. We are glad to provide clients with a list of resources to help them in finding their own way to display their images, but our business is focused on providing the finest photographs possible and we do not offer bound display albums at this time.

Contract

All portions of wedding coverage are set forth clearly in the wedding contract, which details both the length of coverage as well as specifics regarding locations and any additions to the basic package. This protects both parties and helps prevent any miscommunication.

Travel Fees

Since we gladly travel both within the Southeast and internationally, fees for travel to an event are negotiated on an individual basis and are included in the cost of the final package.

Engagement Sessions

Engagement sessions are not included in our packages, but are offered at below market prices for couples with an existing wedding contract. Please feel free to contact us with any questions regarding the scheduling of an engagement session.
